Chairman

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington D.C., 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

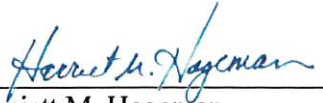

I am requesting funding for Bitter Creek Flood Control Restoration Project in fiscal year 2024. The entity to receive funding for this project is the City of Rock Springs, Wyoming, located at 212 D St. Rock Springs, WY 82901.

The funding will be used for restoring Bitter Creek for the purpose of decreasing flooding, providing recreational trail access, increasing housing and economic growth, and restoring the natural ecosystem. The project is an appropriate use of taxpayer funds because this federal investment will remove flood-vulnerable areas from the floodplain, allowing many properties to be improved to provide much needed housing and economic growth.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

---
