The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Reconstruction of Interstate 25, Casper, WY, (WY-at Large) in fiscal year 2024. The entity to receive the funding for this project is the Wyoming Department of Transportation, located at 5300 Bishop Blvd, Cheyenne, WY, 82009. The funding would be used to reconstruct Interstate 25 through Casper, WY.

This project is an appropriate use of taxpayer dollars because this large, urban highway project will reconstruct Interstate 25 through Casper, Wyoming. The proposed reconstruction will rebuild a badly outdated highway segment and bring the road geometry and pavement condition up to modern standards. Interstate 25 through Casper provides a vital freight and travel route, and the proposed reconstruction will improve safety and traffic flow through one of Wyoming's largest and most economically important cities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Harriet M. Hageman  
Member of Congress
