Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Buffalo Police Department Patrol Vehicle Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the Buffalo Police Department, located at 639 Fort Street, Buffalo, WY 82834. The funding would be used for the purchase and full upfit of four patrol vehicles, which will include the installation of a new radio system, front radar unit, rear radar unit, emergency lighting package, patrol rifle storage system, prisoner transport cage, and department decals and markings. The project is an appropriate use of taxpayer funds because it will improve emergency response times, enhance officer safety, increase patrol coverage, and reduce long-term maintenance costs, thereby supporting the continued safety of both the community and the millions of visitors who pass through northern Wyoming each year.

The project has a federal nexus because the funding provided is for purposes authorized under section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
