Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Air Traffic Control Tower Construction Project in Fiscal Year 2026. The entity to receive funding for this project is the Casper/Natrona County International Airport, located at 8500 Airport Parkway, Casper, WY 82604. The funding would be used for the construction of a new air traffic control tower with terminal radar approach control at the Casper/Natrona County International Airport. The project is an appropriate use of taxpayer funds because it will allow the Casper/Natrona County International Airport to maintain efficient rural air service in the region, ensure the safety of all incoming and outgoing aircraft, and support the stability and economic growth of countless surrounding businesses and communities in Central Wyoming.

The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Harriet M. Hageman
Member of Congress
