Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Mills for Sanitary Sewer Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Mills, located at 704 4th Street, Mills, WY 82644. The funding would be used for the replacement of aging sanitary sewer systems in three areas to address corrosion, mitigate infiltration, boost capacity, and reduce long-term maintenance costs. The project is an appropriate use of taxpayer funds because the replacement will mitigate structural and efficiency issues with the City's sewer infrastructure, ensure the health of residents and the surrounding environment, reduce long-term maintenance costs, and mitigate the risk of costly sewer line breaks in the future.

The project has a federal nexus because the funding provided is for purposes authorized under Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
