Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Interstate 80 Highway Improvement, Evanston to Granger Section, in Fiscal Year 2027. The entity to receive funding for this project is the Wyoming Department of Transportation, located at 5300 Bishop Boulevard, Cheyenne, WY 82009. The funding would be used for the improvement of a 5-mile section of I-80 between Evanston and Lyman in southwest Wyoming and will include pavement rehabilitation consisting of pavement milling, overlay, and wearing course work. The project is an appropriate use of taxpayer funds because it will improve pavement condition, safety, ride quality, and keep this segment of I-80 in serviceable condition to handle extensive freight and other traffic.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
