Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Jackson Hole Airport (JAC) Deice Pad & Collection System Improvements – Phase 2 Project in Fiscal Year 2026. The entity to receive funding for this project is Jackson Hole Airport (JAC), located at 1250 East Airport Road, Jackson, WY 83001. The funding would be used for increasing the capacity of the existing aircraft deice positions at JAC from three to five while meeting all FAA safety standards, which cannot be fully implemented on the existing deice pad. Phase 2 deice pad improvements will also include an upgraded aircraft deicing collection system with greater capacity, remote monitoring, and control capabilities.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Harriet M. Hageman
Member of Congress
