Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Laramie Public Safety Operations Center in Fiscal Year 2027. The entity to receive funding for this project is the City of Laramie, located at 406 Ivinson Avenue, Laramie, WY 82070. The funding would be used for the construction of a dedicated Emergency Operations Center to be housed within a broader Public Safety Operations Center. The project is an appropriate use of taxpayer funds because it will strengthen emergency response capacity and public safety infrastructure while delivering a lasting symbol of federal partnership with Wyoming's law enforcement and emergency management community.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely

A handwritten signature in blue ink that reads "Harriet M. Hageman".
