Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Northern Arapaho Tribe for Drinking Water Transmission Line Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Northern Arapaho Tribe, located at 707 Blue Sky Highway, Ethete, WY 82520. The funding would be used for the replacement of an aging and undersized asbestos cement drinking water transmission line that currently serves essential Tribal facilities and community members. The project is an appropriate use of taxpayer funds because it will protect public health, support economic vitality, and ensure dependable service for Tribal housing, businesses, and essential community services.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
