Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Robertson Road Safety and Capacity Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Casper, located at 200 North David Street, Casper, WY 82601. The funding would be used for the reconstruction of Robertson Road between CY Avenue and the Robertson Road Bridge through a combination of widening, traffic improvements, and upgrades to the bridge. The project is an appropriate use of taxpayer funds because it will ease traffic congestion, enhance connectivity and economic vitality, and boost safety in a growing area with an increasing number of school children.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
