Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Senator Mike Enzi Memorial Overpass Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Gillette, located at 201 E 5th Street, Gillette, WY 82716. The funding would be used for the replacement of an aging and structurally deficient bridge, which spans the BNSF railyard and US HWY 14/16. The project is an appropriate use of taxpayer funds because replacing the bridge is essential to providing long-term infrastructure sustainability, reliable ADA-compliant mobility for vehicles and pedestrians, emergency response access, and economic stability for the community.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
