Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Snow King Complete Street Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Jackson, located at 150 E Pearl Avenue, Jackson, WY 83001. The funding would be used to improve sewer infrastructure along Snow King Avenue as part of a broader Complete Street project. The project is an appropriate use of taxpayer funds because it will allow for the completion of adequate sewer collection infrastructure to convey sewage to the Town's permitted Wastewater Treatment Plant, protecting Flat Creek and the Snake River from water quality impairments related to human waste.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Harriet M. Hageman
Member of Congress
