The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Jackson for Water Storage in Fiscal Year 2027. The entity to receive funding for this project is the Town of Jackson, located at 150 E Pearl Avenue, Jackson, WY 83001. The funding would be used for the design and construction of a 1.5 million-gallon water storage tank in West Jackson, the construction of a new access road for the tank, and the completion of water pipe connections to the system. The project is an appropriate use of taxpayer funds because it will increase overall water storage capacity for both residents and visitors, and ensure adequate water reserves in the event of an emergency.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Harriet M. Hageman".
