Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Canyon Hills Road and 14th Street Rehabilitation Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Thermopolis, located at 420 Broadway, Thermopolis, WY 82443.

The funding would be used for the rehabilitation and reconstruction of the dilapidated 14th Street and Canyon Hills Road which will feature the rebuilding of the road base and comprehensive resurfacing of this critical junction for the Town and Hot Springs County as a whole and whose repair is crucial to the continued functioning of several key public safety services, in addition to serving as a support beam for the County's economy. The project is an appropriate use of taxpayer funds because it will rehabilitate this critical stretch of roadway, improve emergency response times, provide a foundation for economic growth in both the Town and County as a whole, and make travel throughout the town safer for townspeople and passers through..

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Harriet M. Hageman
Member of Congress
