Hello,

Thank you to all who attended my town hall events this past week in Gillette, Laramie, and Pinedale! It was a pleasure to hear from you and share updates on what I've been working on in Washington. Unfortunately, weather forced me to postpone my Pine Bluffs town hall, but I look forward to coming to visit at a later time. Make sure to check out the photos at the end of this newsletter, as well as on my [Facebook](#) and [Twitter](#) pages.

It Is So Good to Be Back in Wyoming!

Fighting the EPA's Newest Assault on Wyoming Coal

Earlier this week, the Environmental Protection Agency announced its intent to implement a new Interstate Transport Rule, which will place highly restrictive policies on Wyoming energy and coal production. To do this, they are choosing to ignore their obligations under the Clean Air Act, a law which requires them to recognize Wyoming's implementation plan to reduce smog.

Not only is this a blatant refusal by the EPA to follow a major bipartisan law passed by Congress, it also is yet another direct attack on American energy production by the Biden Administration. Instead of strengthening our nation's energy independence, this administration's rules will result in further damage to electricity reliability, balloon already-high energy costs for consumers, and eliminate coal jobs in Wyoming.

Rest assured that I will not let this "Green New Deal"-style activism go unchallenged.

Help Us Find Wyoming's Youth Conservationist of the Year!

The Wyoming Game and Fish department is now accepting nominations for their Wyoming Youth Conservationist of the Year award. Nominees should be 18 years or younger and have demonstrated leadership and accomplishment in conservation-related activities.

To nominate a deserving youth, [visit the award's webpage here](#) and follow the listed instructions. Applications must include the application form, a 500-plus word statement explaining why you are nominating the youth, 2 letters of support, and any applicable supporting materials.

Please note that nominations are due by March 31!

Honoring WWII Gunner's Mate 3rd Class Herman Schmidt

Next week, Gunner's Mate 3rd Class Herman Schmidt of Sheridan, WY will be laid to rest at Arlington National Cemetery with full military honors. Petty Officer Schmidt was killed during the Japanese attack on Pearl Harbor while serving on the USS Oklahoma, becoming one of our nation's first casualties in World War II.

Though his remains were recovered during the course of World War II, he and many others were unable to be positively identified until recently. Thanks to the Defense POW/MIA Accounting Agency's (DPAA) USS Oklahoma Project and advances in DNA processing, all personnel from the battleship have been accounted for, with 92% of the Sailors and Marines individually identified.

I am thankful for the efforts of the DPAA and others to identify our fallen unidentified service members and provide their families the closure they've long desired. We must never take for granted the sacrifice of those who paid the ultimate price for our freedom and all men and women who have dedicated their lives to protect our nation.

Introducing Wyoming Wednesdays in DC!

I'm partnering with Senator Barrasso and Senator Lummis to hold Wyoming Wednesdays, a meet-and-greet for any Wyomingites visiting Washington, DC! On select Wednesdays we will provide a chance for constituents to take photos with us, enjoy light refreshments, and hold brief meetings with our staff. Our first events will be on:

- March 1, 9:00 - 10:00am
- March 8, 9:00 - 10:00am
- March 15, 9:00 - 10:00am
- March 22, 9:00 - 10:00am
- March 29, 9:00 - 10:00am

If you have an upcoming trip to our nation's capital and would like to attend, please email Marjorie.Daily@mail.house.gov to schedule your visit. Even if you won't be in town during one of these constituent coffees, you're always welcome to swing by our office and say hi!

Team Hageman Across the State

I had so much fun at this week's events. Based on the smiles in these photos, I'd say I'm not the only one!

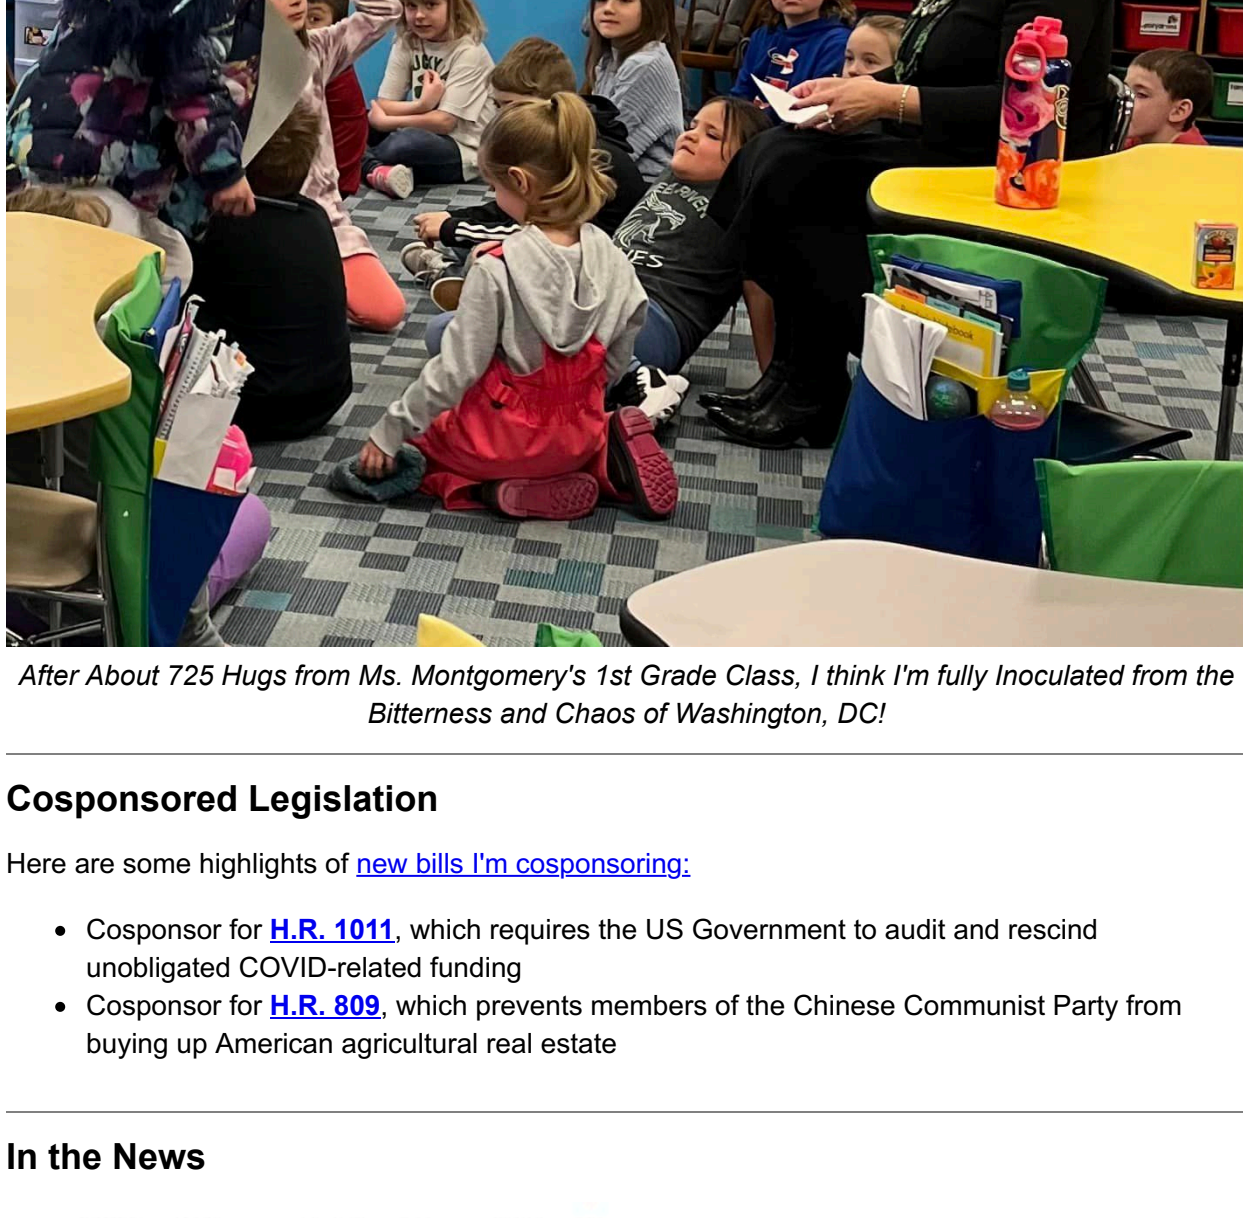

One of my favorite trips this week was getting to visit the students at Harrison Elementary School in Pinedale. One of the students, Carter, wrote me a sweet letter asking me to visit; how could I say no to such a wonderful day?!

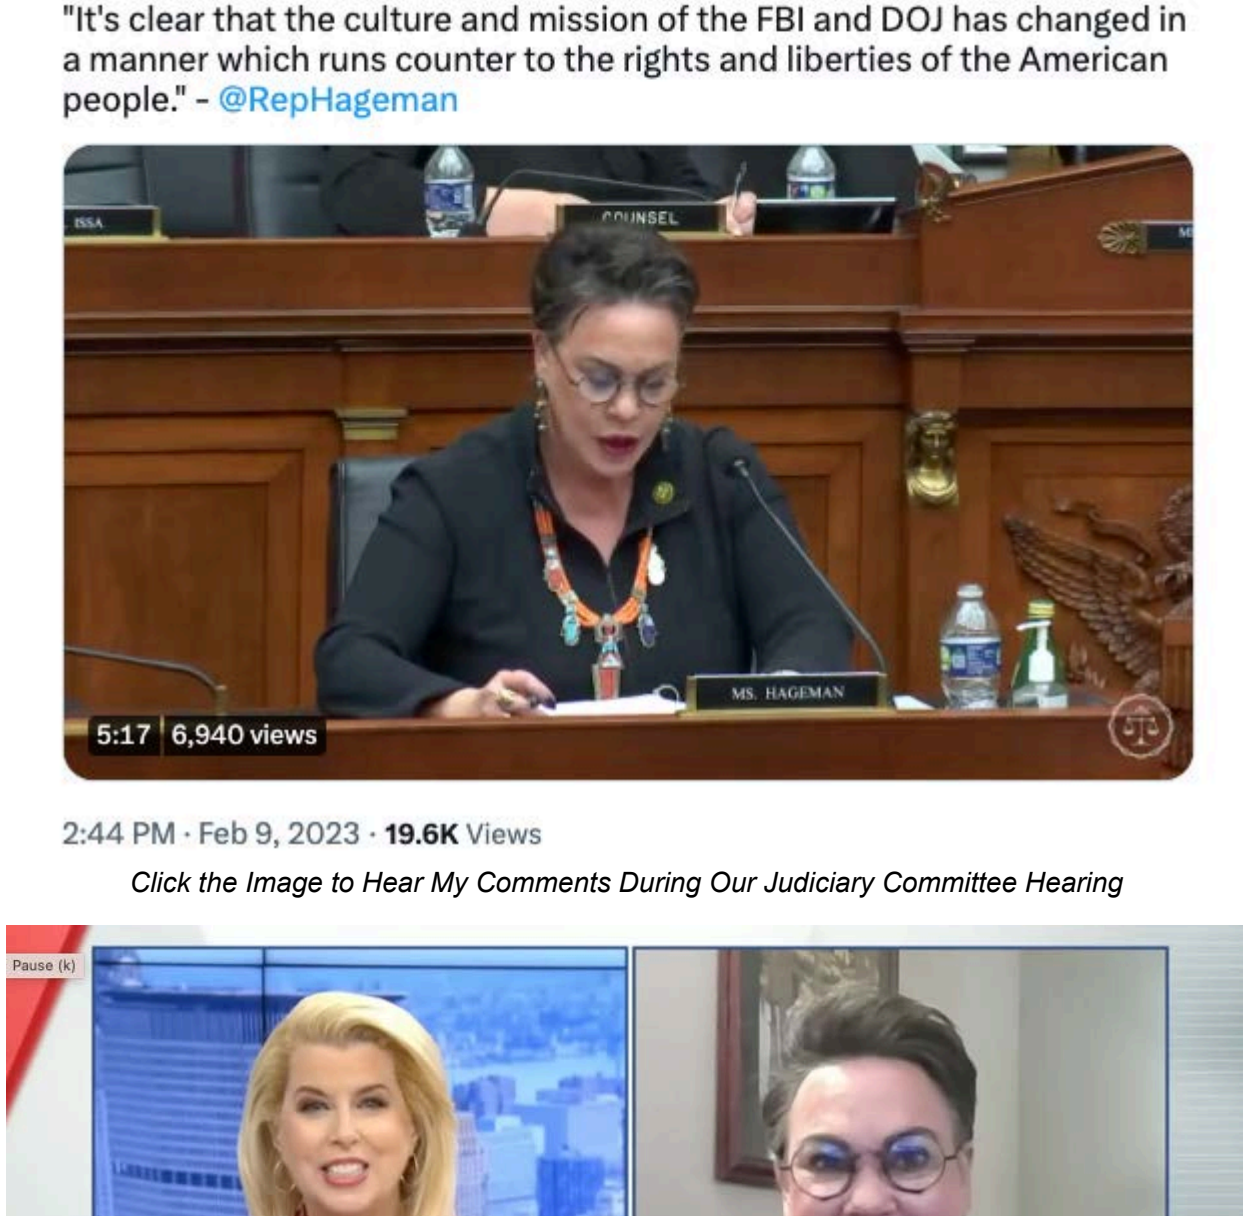

We had a Wonderful and Insightful Conversation in Gillette This Week!

Thank You, Mayor Lundvall, for Hosting Me in Gillette This Week!

One Perk of District Work Weeks: Getting to See Dear Friends

Thank You so Much to Ms. Montgomery and Carter for Welcoming Me to Henderson Elementary!

After About 725 Hugs from Ms. Montgomery's 1st Grade Class, I think I'm fully inoculated from the Bitterness and Chaos of Washington, DC!

Cosponsored Legislation

Here are some highlights of [new bills I'm cosponsoring](#):

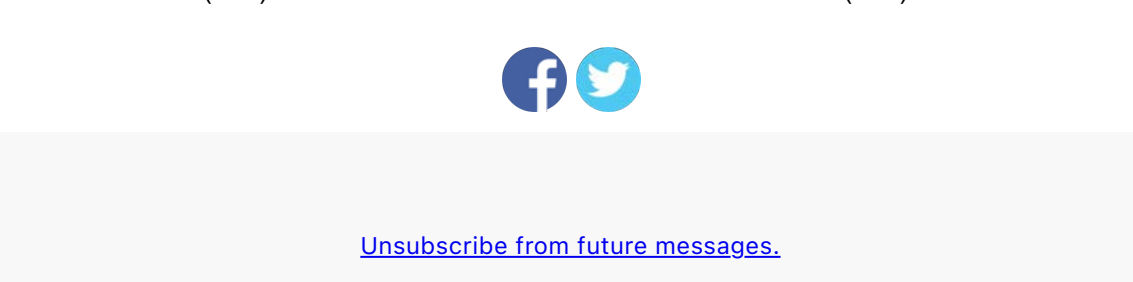

- Cosponsor for [H.R. 1011](#), which requires the US Government to audit and rescind unobligated COVID-related funding
- Cosponsor for [H.R. 809](#), which prevents members of the Chinese Communist Party from buying up American agricultural real estate

Rep. Harriet Hageman
@RepHageman

Energy production is the heartbeat of Wyoming. It is important to my constituents that I am here to serve. Oil, gas, coal and mineral leasing and permitting directly affect our economy and the cost of our energy.
